The Applicant agrees that the Company is under no obligation to accept this Application or to extend credit to the Applicant. The Applicant further agrees that if this Application is accepted, the Company may refuse to extend credit, may increase the amount of credit, or may reduce the amount of credit previously extended, at any time without providing reasons for such refusal, increase, or reduction. The Applicant agrees that the terms and conditions of any purchase order or other document submitted by the Applicant are null and void and of no legal effect, other than to identify the products being purchased and the quantity thereof. Invoices and statements will be considered correct by the Applicant unless the Company is notified in writing of any errors within 60 days of invoicing.

Unless otherwise specified on shipping documents, quotations invoices and/or statements sent from time to time by the Company to the Applicant, the terms of sale are for payment in full of all accounts net 30 days, without deduction, setoff or holdback of any kind or nature. The Applicant agrees to pay interest in the amount of 2% per month (24% per annum) on all past due amounts. Unless otherwise agreed to in writing by the Company, all payments made by Applicant will be applied in the Company’s discretion, failing which such payments will be applied first to the Company’s collection costs, charges and expenses, if any, then to any outstanding interest and then to invoice principal.
