The Applicant hereby applies for credit to be extended to it by the Company and agrees to provide, on request, such further and other documents and information, including but not limited to financial statements and/or net worth statements, to the Company prior to credit being approved or extended. The Applicant agrees that the Company is under no obligation to accept this Application or to extend credit to the Applicant. The Applicant further agrees that if this Application is accepted, the Company may refuse to extend credit, may increase the amount of credit, or may reduce the amount of credit previously extended, at any time without providing reasons for such refusal, increase, or reduction. If two or more principals, partners, companies or other legal entities are listed on page 1 of this Application, then the obligations and liabilities of such principals, partners, companies or other legal entities to the Company shall be joint and several. Upon request, the Applicant and/or its principals, partners, companies or other legal entities will provide a guarantee or other security acceptable to the Company.

The Applicant agrees that if it is claiming tax exempt status, a tax exemption certificate will be provided to the Company. The Applicant agrees that if it is an unincorporated business that is incorporated later, it will notify the Company in writing within 14 days of such incorporation and enclose a copy of the Certificate of Incorporation. The Company will not be obliged to grant credit to the new corporate entity.

The terms and conditions of sale are as specified in this Application for Credit together with the Company’s standard terms and conditions of sale (a copy of which are available at <http://www.emco.ca>) and any shipping documents, quotations, invoices and/or statements issued by the Company to Applicant, which are incorporated herein by reference. Such terms and conditions of sale will apply to all transactions between the Company and Applicant and shall supersede any purchase order or other document submitted to the Company by the Applicant. The Applicant agrees that the terms and conditions of any purchase order or other document submitted by the Applicant are null and void and of no legal effect, other than to identify the products being purchased and the quantity thereof. Invoices and statements will be considered correct by the Applicant unless the Company is notified in writing of any errors within 60 days of invoicing.

Unless otherwise specified on shipping documents, quotations invoices and/or statements sent from time to time by the Company to the Applicant, the terms of sale are for payment in full of all accounts net 30 days, without deduction, setoff or holdback of any kind or nature. The Applicant agrees to pay interest in the amount of 2% per month (24% per annum) on all past due amounts. The Applicant agrees to pay the Company all costs, charges and expenses (including, without limitation, legal fees and expenses on a solicitor/client, full indemnity basis) incurred by or on behalf of the Company in connection with the collection of any outstanding amounts and/or the enforcement by the Company of any of its rights against the Applicant. Unless otherwise agreed to in writing by the Company, all payments made by Applicant will be applied in the Company’s discretion, failing which such payments will be applied first to the Company’s collection costs, charges and expenses, if any, then to any outstanding interest and then to invoice principal.

Title to all goods sold or delivered by the Company will remain in the Company until such goods have been fully paid for by the Applicant and the Company shall have a continuing security interest and purchase money security interest in all such goods and their proceeds to secure payment by the Applicant of all its obligations to the Company pursuant to applicable provincial personal property security legislation, and the Applicant waives the right to receive a copy of any financing statement or verification statement related hereto.

I understand that the Company may obtain and collect such information from, or disclose such information to, any credit reporting agency, credit bureau, collection agency, personal information agency, financial institution, bank, any party with whom the Applicant or principals have had or may have financial relations, or any other party on a need to know basis for the Purpose as required or permitted by applicable law. I _____ in consideration of all loans, advances and other credit now or hereafter granted by Noble British Columbia, a Division of Emco Corporation or any predecessor, successor, assign, subsidiary, affiliate, division or operating group of Emco Corporation (collectively the "Company") to _____ (the "Customer"), **HEREBY IRREVOCABLY AND UNCONDITIONALLY GUARANTEE** to the Company the due and punctual payment of all present and future debts, liabilities and other amounts owing by the Customer to the Company wherever and whenever incurred, including, but not limited to, on account of goods, products and services from time to time purchased by the Customer and all interest, commissions, actual legal and other costs, charges and expenses incurred by the Company in connection with the Customer's account.

This is an **ABSOLUTE, UNCONDITIONAL AND CONTINUING GUARANTEE** and my liability under this Guarantee is **UNLIMITED**, regardless of any credit limits set out in the Customer's Application for Credit or otherwise established from time to time.

The Company has the right, **WITHOUT** notice and without in any way releasing, limiting, lessening, or otherwise affecting my liability under this Guarantee in whole or in part, to vary **IN ANY WAY** the terms of sale and credit between the Customer and the Company, including, but not limited to, increasing the credit extended to the Customer, increasing the rate of interest charged to the Customer, and granting renewals, extensions, releases, compromises, discharges or indulgences to the Customer.

My liability under this Guarantee shall not be discharged or affected in any way by (i) the bankruptcy, insolvency or assignment in favour of creditors of the Customer, (ii) my death or the death of any other guarantor, (iii) any invalidity, unenforceability or illegality, in whole or in part, of any agreements or other documents held by the Company to create or evidence any of the Customer's obligations, (iv) any defence, counterclaim or right of set-off available to the Customer, or (v) any change in the name, objects, capital, constating documents or by-laws of the Customer.

The Company is not required to exhaust its recourses or remedies against the Customer or any other guarantor, or to take any other action, before being entitled to payment from me. In the event of default by the Customer, the Company may treat all obligations of the Customer to the Company as due and payable and I shall immediately be liable for, and make payment to the Company of, the entire indebtedness of the Customer, even though there may be more than one guarantor. I understand and agree that the Company may settle with other guarantors on any basis the Company deems appropriate and that I will remain liable to the Company for the liabilities of the Customer to the Company, minus payments, if any, received by the Company from the other guarantors.

I understand and agree that if goods, products or services are ordered from the Company and charged to the Customer's account by any corporation, individual or other entity with the Customer's actual, implied or ostensible authorization, or if goods, products or services are ordered from the Company by any corporation, individual or other entity carrying on or continuing the
